

How to Guide – Customers

Register

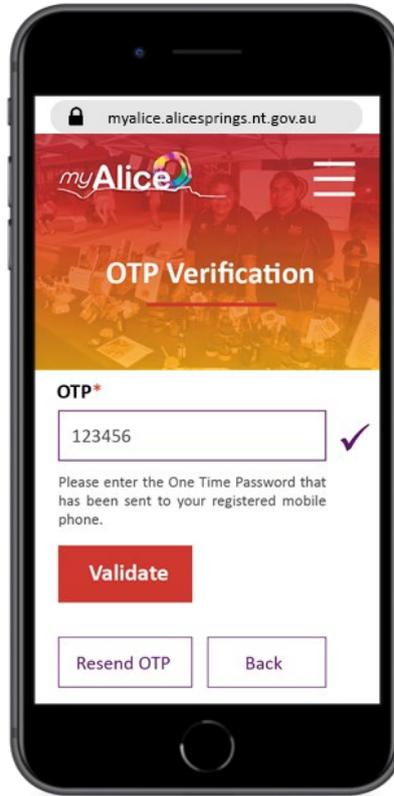

Visit **myalice.me** and click on the SIGN-UP button (as shown right).

Enter your valid email address (this will be your User ID) and a password of your choice. Ensure you enter your mobile number to receive a one-time password (OTP) to activate the account. Click **Create new account** (as shown below).

When you receive the SMS with your OTP, please enter the code provided and click **Validate** (as shown below).

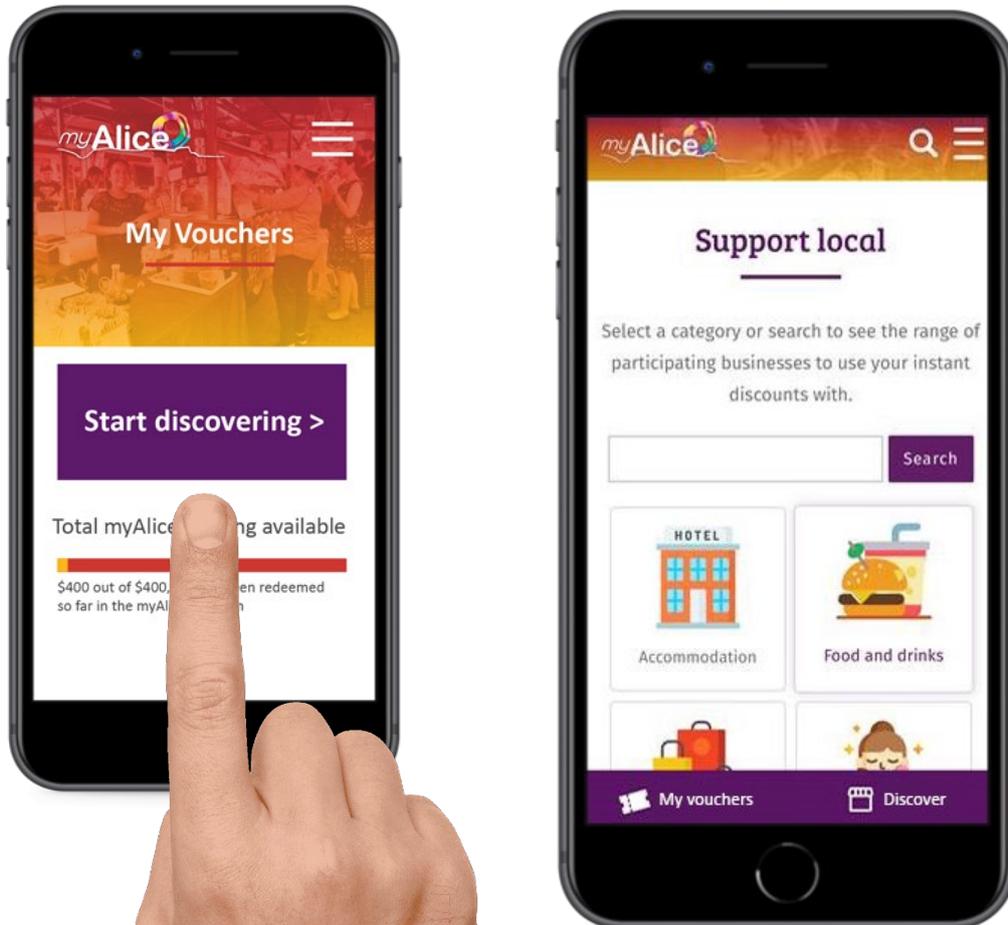

Once your code is validated, you are redirected to the **My Vouchers** screen.

This screen will display the total available funds in the myAlice program, as well as your current available myAlice discount vouchers.

Search for Participating Businesses (Merchants)

The **Start Discovering** button will take you to a list of all participating local businesses.

There are FIVE main categories to browse from, including:
food & drinks, retail, accommodation, things to do, and personal care.

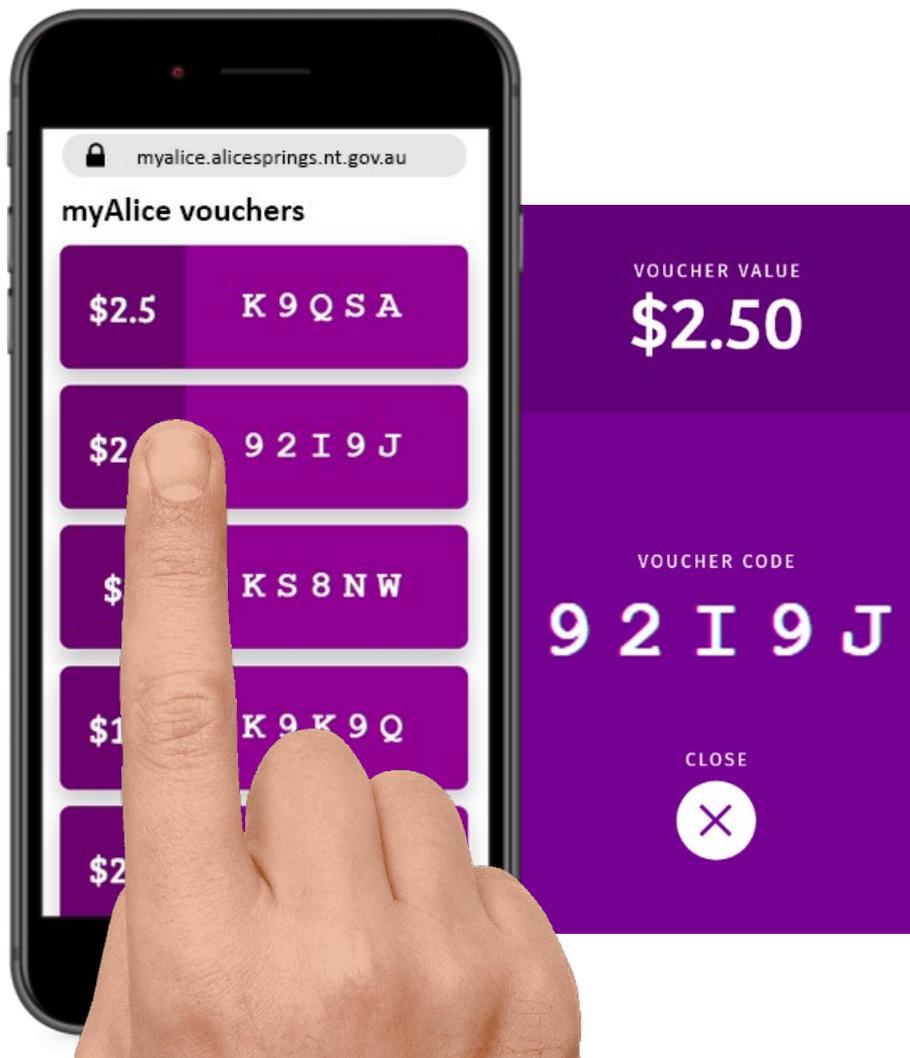

Click on a category of your choice to browse participating businesses within that trade category, with their hours of operation, and contact details.

myAlice Discount Vouchers

Once you've decided where to spend your myAlice discount vouchers, click on **My Vouchers** (as shown below), choose the voucher you wish to use and **show the business operator the voucher code displayed.**

Vouchers in purple are unused and can be redeemed at participating businesses.

Vouchers in grey are used and will not replenish until the following day.

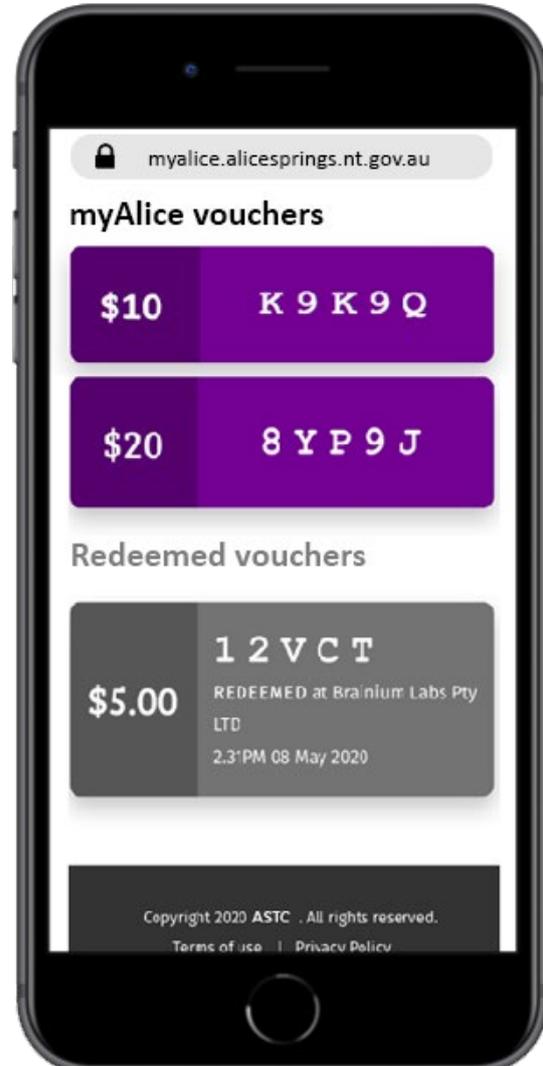

All you need to do is **click on the myAlice voucher value and show it to the business operator for validation before making a payment.**

The business will enter the unique 5-digit code to validate, PRIOR to providing you a discount and completing your transaction.

NOTE: There is a minimum spend requirement for each myAlice discount value of 4 x the discount voucher value. For example, you need to spend \$10, to receive a \$2.50 discount. Please refer to the *Customer Terms and Conditions* for further details.

Save when you spend!

Once validated, the used myAlice voucher will grey out – please refresh your browser after each transaction. All successfully redeemed discounts will be listed (in grey), below your available myAlice vouchers (in purple).

Vouchers are replenished daily – every registered Customer will be allocated \$40 daily, until the program funds all redeemed or the program ends. From **My Vouchers**, refresh your browser to view current available and redeemed vouchers.

Please refer to the *Customer Terms and Conditions* for further details.
